

SDL Series

**Dock loading light
with Adjustable arm**

Description

The SDL series dock loading lights from Tri Lite combine the strength of a standard dock light arm with the added flexibility of a dual-axis hing to create an incredibly versatile and durable product. The SDL will withstand blows from fork lift trucks and dock doors. Protect your investment by utilizing the Tri Lite SDL series dock light in 40" or 60" arm length. Lamp head options include your choice of cool durable polycarbonate, metal, energy efficient high pressure sodium or our protective food service lamp head.

Specifications

Arm Plug.....NEMA 5-15P
 Arm Socket.....IEC C-14
 Light Head Plug.....IEC C-13
 AC Voltage.....115V
 Max. Wattage - Polycarbonate.....150W
 Max. Wattage - Metal.....300W
 Max. Wattage - HPS.....50W

Features

- Twin-axis hing allows arm to deflect when struck by doors and lift trucks.
- Durable design and construction reduces maintenance costs.
- Economically priced.
