

## **INSTALLATION INSTRUCTIONS - MODEL MVLP**

**ELECTRICAL** - Operate lights from DC source of +/- 15% of model rating. Observe wiring polarity. On electric lift trucks, DO NOT power light from motor control circuit. Wire only directly across battery. Keep leads as short and as far from vehicle engine as possible on gas powered vehicles.

**MOUNTING** - Mount on any flat or slightly curved surface with ¼ - 20 stud protruding from base of light. Alternately, use 3 - # 10 sheet metal screws and flat washers (provided) through 3 rubber grommets in base.

### **REPLACEMENT PARTS**

<b><u>PART</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>MVLP</u></b>
DOME	AMBER	20-0503
	BLUE	20-0506
	CLEAR	20-0509
	GREEN	20-0505
	RED	20-0502
LAMPS	12V*	42-0336
MOTOR	12V	16-3226T
DRIVE BELTS	SMALL	80-0587
	LARGE	80-0567

### **LIMITED WARRANTY**

If it appears within one (1) year from the date of delivery to Purchaser that any products or component parts do not conform exactly to the specifications and physical dimensions referred to above, and the Purchaser, at its expense, returns the product or component parts to the Seller together with a report of defects, the Seller shall review the inspection report and inspect the items and shall authorize, at its option, either the repair or replacement of any non-conforming products or component parts, whether on warranty, contract of negligence, shall not in any case exceed the amount to be paid by the Seller in obtaining and repair or replacement of non-conforming products or component parts, and upon expiration of the warranty period, all liability of the Seller shall be terminated.

Seller shall not be liable for any injury, loss or damage, direct or consequential arising out of the use or the ability to use the product.

This warranty gives specific legal rights, You may have other rights which vary from state to state.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so that the above limitation of exclusion may not apply to you.

**WARNING:** The individual user should take care to determine prior to use whether this device is suitable, adequate or safe for the use intended. Since individual applications are subject to great variation, the manufacturer makes no representation or warranty as to suitability or fitness of these devices for any specific application.
