

INSTALLATION INSTRUCTIONS: RF6, RF64

Using gasket as a template, mark desired location of center hole and 3 mounting holes. Use 3/16" drill for 3 outside holes and 7/16" drill for center hole. Insert rubber grommet in center hole.

Remove dome and operating mechanism from light. Place gasket and housing in desired location on vehicle over newly drilled holes. Fasten housing to roof of vehicle with included screws and washers. To assure good electrical ground, place one mounting screw through ground eyelet on black ground lead.

LIMITED WARRANTY

If it appears within one (1) year from the date of delivery to Purchaser that any products or component parts do not conform exactly to the specifications and physical dimensions referred to above, and the Purchaser, at its expense, returns the product or component parts to the Seller together with a report of defects, the Seller shall review the inspection report and inspect the items and shall authorize, at its option, either the repair or replacement of any non-conforming products or component parts, whether on warranty, contract of negligence, shall not in any case exceed the amount to be paid by the Seller in obtaining and repair or replacement of non-conforming products or component parts, and upon expiration of the warranty period, all liability of the Seller shall be terminated.

Seller shall not be liable for any injury, loss or damage, direct or consequential arising out of the use or the ability to use the product.

This warranty gives specific legal rights. You may have other rights which vary from state to state.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so that the above limitation of exclusion may not apply to you.

WARNING: The individual user should take care to determine prior to use whether this device is suitable, adequate or safe for the use intended. Since individual applications are subject to great variation, the manufacturer makes no representation or warranty as to suitability or fitness of these devices for any specific application.
